

Calvary Burlington

Camp Bursary Application

Thank you for your interest in our summer camp, running August 12–16, 2019. Once again, Calvary Burlington is excited to be partnering with Forest Cliff for a thrilling week of games, crafts, sports, music, and Bible adventure.

We know that camps can be an added expense during the summer, and we don't want a child to be excluded solely due to financial constraints. We are offering a limited number of partial bursaries for which families can apply. Beginning in 2019, a formal application process will be implemented. Bursaries will be offered to support either 25% or 50% of camp fees for each child. The number of bursaries available will be dependant on both the level of demand and level of need identified.

All applications are to be submitted no later than **May 1**, and families will be notified no later than May 5. As much as we would love to provide unlimited support, not every application can be approved.
